INCIDENT NARRATIVE	(The facts for probable cause to arrest AND to substantiate the charges include, but are not limited to, the following)	
	event# 05587 In summary: subject arrested after he was observed drinking from a bottle of paul mason grande amber on the public way. This subject has been arrested for the same violation before and has been told by R/O that further violations will result in arrest. The subject was placed in custody without incident. Enroute to 020 the subject became belligerent and threatened to kill the R/Os entire and shoot the R/O in the face. Upon arrival to 020 while the R/O was escorting the subject to the processing area the subject elbowed the R/O in the left ribcage area. The R/O continued to escort the subject into the processing area at which time the subject stiffened up and stopped at the doorway of the detention cell. The R/O attempted to place the subject into the cell at which time the subject fell forward striking his head on the floor. R/O contacted oemc and secured an ambulance(CFD40)for the subject to be examined and was subsequently transported to ST Francis Hospital since his blood sugar was highly elevated from using alcohol along with his diabetes. Name check/inv alert clear/ssl score of 135 /gipp clear. INV # 13657627 and 644 -personal property 13657639-sample of liquid taken from paul mason bottle along with original bottle
